ABOUT ME

As an IT student with a passion for technology, I am dedicated to learning and mastering the intricacies of software development. Currently, I am focused on becoming a proficient back-end developer with a specialization in C# and .NET. My journey in technology has been fueled by a genuine curiosity and enthusiasm for exploring innovative solutions to complex problems. Alongside my technical pursuits, I have honed my skills in start-ups, marketing, sales, and event management, which have provided me with valuable insights into effective communication, teamwork, and problem-solving. I am eager to leverage my diverse experiences and continue my growth within the dynamic world of IT.
